# Join us in shaping the future of chiropractic by donating to the Australian Chiropractic College.

The establishment of the Australian Chiropractic College (ACC) has been driven by a group of dedicated chiropractic leaders who share a commitment to the future of chiropractic.

The ACC's purpose is to:

- Promote, facilitate and undertake scholarship and higher education in chiropractic
- Advance public knowledge and understanding of chiropractic
- Encourage, promote and facilitate education in health in connection with the science, art and philosophy of chiropractic
- Represent the interests and concerns of the Australian Chiropractic College to government, the community and the profession

By donating to the ACC, you'll become a supporter of a private college that was created by chiropractors, for chiropractic, an institution that is producing a new generation of leaders who'll positively influence the health of the world. Be one of many to pledge your support.

# Partnership Levels for ACC Sponsors

The ACC has designed seven partnership levels to empower financial input from likeminded people and businesses:

<b>VISIONARY</b>	\$100,000 and above
<b>MASTER</b>	\$50,000 - \$99,999
<b>JACARANDA</b>	\$25,000 - \$49,999
<b>C1 FOUNDER</b>	\$15,000
<b>FOUNDING</b>	\$12,000 - \$24,999
<b>PRINCIPAL</b>	\$6,000 - \$11,999
<b>ASSOCIATE</b>	\$1,200 - \$5,999

Your sponsorship funds will help to create life changing careers for our young chiropractic students. They are the future of our profession.

Your ongoing sponsorship will be rewarded, not only by the personal benefits you receive from contributing to the profession, but also the partnership benefits you'll receive from ACC in return. Each partnership level attracts a suite of benefits and they are outlined on the following page for you.
