2. Payment in 2 instalments: \$500 deposit on or before the Tuition Fee Due Date with the balance paid by the census date.
3. Payment by instalments: \$500 deposit on or before the Tuition Fee Due Date with the balance paid as per the completed Instalment Payment Plan agreement over the semester.
4. Completion of an online eCAF (Electronic Commonwealth Assistance Form) by the Tuition Fee Due Date

Census Date

The census date is the last date on which you can withdraw from a unit of study without incurring a debt for that unit of study. Your census date is calculated as the Semester starting date you have nominated for that unit, plus 20% of the duration of the unit of study.
